Art Unit: 1712

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Change the title to: - -COMPOSITION OF EPOXY RESIN AND CLATHRATE OF TETRAKISPHENOL AND EPOXY-REACTIVE CURING COMPOUND--.

The following is an examiner's statement of reasons for allowance:

Zupancic et al. discloses the reaction of tetraphenolethane and curing agent with the epoxy resin. Neither Zupancic et al. nor the other cited prior art sets forth the claimed tetrakisphenol as a clathrate host compound enveloping the epoxy-reactive curing compound.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled

"Comments on Statement of Reasons for Allowance."
